Unfortunately, my mom can not make it. She passed away but at least I was there.
 Thanks for your kind care.

Thanks, I will work on it and send it to you in the final format.
 I completely understand you have a lot of responsibilities and limited time.

Really Dr.Hutcheson, you did a lot of great changes in the department in a very short period. Thanks for that.

Amro, I am supportive of your initiative and would try to read over something that you wrote, but I can't commit myself to get involved in any other projects right now. I'm sure you understand. I support your doing so. Thank you for inquiring.

Dear Dr.Hutcheson,

We got this invitation from Dr.Stephen Foster (Harvard)to write a chapter in uveitis text book,
 I am thinking about uveitis in pediatrics, would you be interested in that.
 Best Regards,

Amro A

Dear Dr. Ali,

Due to your involvement in the field, and the research you published in your paper, "Chronic uveitis following neodymium-doped yttrium aluminum garnet laser peripheral iridotomy," IntechOpen invites you to extend your work and offer a more comprehensive overview of your studies. Contribute a chapter to "Advances in the Diagnosis and Management of Uveitis," an upcoming Open Access book edited by Dr. Alejandro Rodriguez-Garcia and Dr. C. Stephen Foster.

Work with an internationally recognized peer group and gain increased visibility for your published work.
